148	Yes - Belong to local group No - during pandemic no-one (apart from postman) came or telephoned to enquire if we were ok or needed anything - not from Church, Parish committees, local youth groups etc. even though in a vulnerable group. The form pushed through our letterbox initially was an insult to a 'caring community!!' 8	Use by the Parish Council of the Church magazine that is delivered to houses 10 x per year. A donations from Council would be useful; Council's money is the public's council tax.	7/4/2021 3:56 PM

23	Easier notification of events	7/3/2021 11:14 AM
24	Powick and Calloe End are different. Powick people tend to think of Callow End as somehow inferior but Callow Enders are much more sociable	7/3/2021 7:43 AM
25	Too early to judge	7/2/2021 8:34 PM
26	More activities for younger generation	7/2/2021 8:04 PM

29	Re purpose the Chinese restaurant into a small shop and post office. Allow a swing on the greenway (an environmental one) Allow public to purchase the option of green space to protect it.	7/2/2021 6:43 PM

Powick Parish Neighbourhood Plan 2021

30	No Idea - Powick is the sort of place where you either fit in or don't - very cliquey	7/2/2021 5:39 PM
31	Shop/ Cafe	7/2/2021 3:35 PM
32	More clubs/activities	7/2/2021 12:33 PM
33	The swing on the tree on the green should be reinstated. Traffic speed management efforts through the 30mph zone in Callow End should and must be better, including Jennett Tree Lane.	7/2/2021 6:03 AM
34	Nothing else	7/1/2021 8:26 PM
35	Small shop for groceries, an outdoor space for children to play in and being able to access this beautiful countryside. Meadow cycle path to cycle with young children to Callow End safely.	7/1/2021 8:14 PM
36	You can't force people to take pride in where they live. Too few appreciate the fact that this was a lovely neighbourhood.	7/1/2021 7:42 PM
37	More traffic calming on cut through roads	7/1/2021 4:56 PM
38	no more building	7/1/2021 4:40 PM

41	Sadly Covid stopped a lot of activities but.. Summer/School Fetes, the Powick School Fete was fantastic	7/1/2021 3:05 PM
42	Familiar sighting of a local PC, Slower speed limits into Powick from Malvern and past the primary school	7/1/2021 12:50 PM
43	More community events, a village focal point especially a village shop for Powick would be fantastic.	6/29/2021 1:48 PM
44	More local employment less commuting	6/29/2021 12:13 PM
45	General purpose retail outlet for Hospital Lane area. Creation of a village green for Hospital Lane development. Community involvement with Link Nursery	6/28/2021 5:43 PM
46	Community Evenings such as local history talks, pub quizzes etc	6/28/2021 3:37 PM
47	Much though I decry the use of social media, a monthly newsletter after a parish, district or county council meeting would help. Not everybody likes reading minutes, which can be heavy going. (Maybe just an A4 page off a home printer and put in local pick up points or parish church newsletter).	6/21/2021 10:26 AM
48	More community events. Also a local shop for Collett's Green in walkable distance.	6/20/2021 6:55 PM
49	parishoners should be consulted on all village issues and be listened to	6/20/2021 3:05 PM
50	Slow down the traffic 95% of which completely ignores the speed limit signs in Callow End.	6/18/2021 12:36 PM
51	More green space	6/18/2021 8:46 AM
52	Nothing	6/18/2021 7:01 AM
53	events for fundraising etc, village shop noticeboard	6/17/2021 5:02 PM
54	More community activities and groups	6/16/2021 2:14 PM
55	We didn't even know that a pavillion was being built in Hospital Lane? Probably better communication? Powick is a village split by a major road with high traffic noise and pollution. The crown is a typical drive up 2 for 1 meals pub, not a community pub. It is easier to drive to quiet country pubs? There is not work in either Callow End or Powick to speak of and so any housing development is for people who work elsewhere and have to school elsewhere. The two local shops do as well as they can for the space, but people have to travel to Worcester or Malvern mainly for shopping. So apart from the playing fields I would say people migrate in and out on a daily basis. Thus, for Powick, I think it will remain a collective of smaller communities based on roads or estates. So future building estates should encompass plans and funding for supporting the local estte community - probably like Hospital Lane, though I do wonder what %age of Powick residents out side Hos[ital lane will venture up to the new Pavillion more than once?	6/16/2021 12:06 PM

Powick Parish Neighbourhood Plan 2021

56	There have been a lot of young families move into Powick as the new houses have been built, something that would interest them would be good.	6/16/2021 11:38 AM
57	a shop in Powick	6/16/2021 11:29 AM
58	Exercise classes for older people	6/15/2021 9:54 PM
59	Local shop/coffee house in Powick is needed to pull those of us who dont have children together	6/15/2021 8:51 PM
60	A community run shop.	6/15/2021 8:48 PM
61	Increase opportunities for local people of different ages and backgrounds to come together. Outside of the pubs, the cafe at the Bush and the playing field events do this. Perhaps an informal gatherings eg weekly/fortnightly on a Friday evening (before pub time) at the playing fields? Coffee mornings in the week are suitable for some but not those working.	6/15/2021 8:36 PM

Powick Parish Neighbourhood Plan 2021

3	STRONGLY NO in Powick, The infrastructure is not there to cope with any more roads, water, drainage etc.. The water pressure has dropped since new houses built. Powick is becoming full of small cheap housing estates. NO more of these	7/4/2021 9:43 AM
4	In small nos. maximum of 10. Development of former caravan sales site, next to Halfway House development is a good example if it is affordable and low energy. Also self owned traveller sites.	7/3/2021 2:57 PM

11	Any new houses in Powick are only for people who would prefer to be in Worcester, Malvern or Birmingham as that is where their work is. More housing is likely to reduce the macro sense of community	6/16/2021 12:06 PM

81	I think the Parish has already met it's quota for new housing. Beautiful views and open spaces have been ruined. Allotments 'gone'. If more housing has to be built it should be on small 'infill sites' not big developments of 60+ houses.	5/30/2021 6:43 PM

87	Village is already struggling with the amount of houses.	5/28/2021 10:53 PM
88	On brownfield sites only we shouldn't be looking to take anymore green space that has not been developed before. We want to keep the village feel and size.	5/28/2021 10:22 PM
89	No idea. So much green space has already been used for new housing	5/28/2021 5:59 PM
90	Too many already.Should be built in the cities in brownfield sites,where the work is.A village is what it is,a village,with limited resources and facilities.	5/28/2021 5:38 PM

91	Not especially.	5/13/2021 4:25 PM

Powick Parish Neighbourhood Plan 2021

92	The dilapidated sheds/barns on approach to Powick Village - not a very welcoming sight!! I believe Planning Permission has been granted for improvement but nothing done....demolish them and construct a community garden instead - the owner obviously doesn't need them except for car parking.	5/12/2021 8:41 PM

55	Minor roads show considerable damage - eg The Orchard	6/16/2021 11:29 AM
56	Bowling Green Road floods regularly and needs resurfacing as well as Sparrowhall Lane. The pavements opposite the Halfway House need redoing.	6/15/2021 8:48 PM
57	Surface dressing technique is poor and doesn't work on bends and at junctions which has been demonstrated on Jennet Tree Lane. Potholes are a problem when cycling. Sunken drains e.g. near the Red Lion but and Collets Green are an issue.	6/15/2021 8:36 PM
58	The main Road towards worcester at the traffic lights has a large pothole. Sunken manhole in King Charles Avenue	6/15/2021 8:16 PM
59	1. Dualling of lanes from Powick to the Powick roundabout. There is adequate space to do this. Currently cars contravene the Highway Code by using the filled by diagonal lines. The diagonal lines serve no real purpose other than assist very occasional traffic to turn into the Severn Trent area. 2. There is an urgent need for double white lines on the Upton Road from	6/15/2021 7:15 PM

Powick Parish Neighbourhood Plan 2021

the Red Lion to the bus stop adjacent to the Manor Farm barn. The existing dotted white lines result in dangerous high speed overtaking. 3. The occasional speed warning positioned adjacent to the bus stop on Upton Road is antiquated and inadequate. Normally it only works for a couple of days. 4. The exit from the Upton Road onto the Malvern Road by the Red Lion could be improved by moving the stop sign back several feet thereby allowing better visibility of on coming traffic.

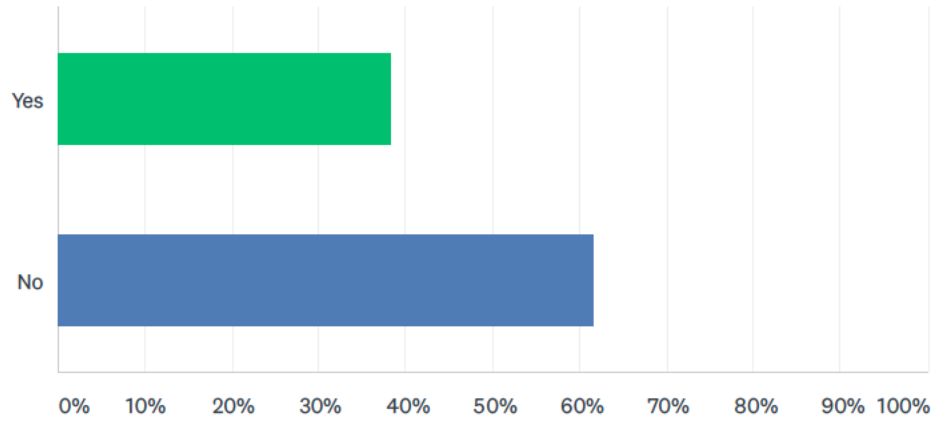

60	The speeds on the roads are too high. Footways are often impassable because overgrown and not sided out.	6/8/2021 4:56 PM
61	Better path on the B4424 and enforced "out of hours" speed restrictions in 30 mph areas to catch young offenders who pay no attention whatever to restrictions.	6/8/2021 2:24 PM

71	Some roads need some cosmetic work. Footpaths as well need a bit of work. Not very accessible if you have a pram or for an elderly person who needs to use a walking aid.	5/28/2021 10:53 PM
72	Fill in holes and sort out uneven surface such as those around colletts green.	5/28/2021 10:22 PM

75	Better repair of the pot holes.	5/27/2021 10:05 PM
76	Bowling Green Road is a disgrace and according to those that have lived there for over 50 years they have no recollection of resurfacing or maintenance of any kind. After a few days persistent rain 6 inches of water gathers making it impossible for those on foot. The road is riddled with potholes and utility excavations. Some residents have placed large stones on the grass verge which is very dangerous particularly when overgrown with grass.	5/27/2021 12:25 PM
77	Too many potholes and poorly resurfaced road	5/24/2021 5:19 PM

86	Pot holes. The width of Sparrowhall lane is dangerous. Turning off and onto the dual carriageway to Sparrowhall lane needs either banning or road changes to accommodate	5/15/2021 10:01 AM

45	Parking on the pavement restricts access for pedestrians, wheelchair users, push chairs and bikes (on shared pavements). Dangerous for these users to go round the vehicles on the road. Parking outside schools makes it dangerous for children, walkers and cyclists at certain times of day. Need safer streets for schools. Parking on verges ruins natural environment and causes damage. 56	Byrons Wood - Hospital Lane and King Charles Avenue - those attending football matches/training on the football field cause issues on the weekends. Homes in this area have insufficient parking at their properties (often four car owners; businesses with vans) - so the narrow estate roads have, literally, become overflow car parks.	5/30/2021 6:43 PM

56	Lower Powick, just before the main traffic lights.	7/1/2021 8:14 PM

58	Sparrowhall Lane especially during rush hour as it is used as a cut through. 30mph speed limit sign needed; slow down signs. No pavements - dangerous	7/1/2021 4:56 PM

Powick Parish Neighbourhood Plan 2021

63	main Rd through Powick. Old Malvern Rd through Colletts Green Rd through to Bastonford. Main Rd traffic disregard for the traffic lights at Hospital Lane ; speeding through red lights.	7/1/2021 12:50 PM
64	Through Powick along the main road, especially outside the school.	6/29/2021 1:48 PM

70	Definitely the straight towards Malvern and Worcester through the Hospital Lane traffic lights. Frequently seen traffic increase speed to get through the lights on amber. Many roads in parish have 30mph but have seen this often exceeded	6/21/2021 10:26 AM

72	sparrowhall lane the old road bowling green road	6/20/2021 3:05 PM

74	Jennett Tree Lane and the Upton Road	6/18/2021 3:03 PM
75	The excessive speed of traffic through Callow End is APPALLING. 95%+ of drivers totally ignore the 30mph speed restriction. The hill at the Upton end of the village is a particular black spot (drivers accelerate towards it leaving the village or zoom down it into the village). PLEASE GET THIS SORTED - IT BLIGHTS THE VILLAGE. If it can be done for, say, Leigh Sinton, why not Callow End???	6/18/2021 12:36 PM

84	On main road around the flights at times and some very inconsiderate drivers and delivery folks around hospital lane estate	6/15/2021 8:51 PM
85	Along the back road, Old Malvern Road.	6/15/2021 8:48 PM
86	Upton Road, rural side roads including Jennet Tree Lane.	6/15/2021 8:36 PM
87	Upton Rd, Malvern Rd and the sidelanes.	6/15/2021 7:15 PM
88	There is a major speeding issue on the Worcester to Malvern Road, the Powick to Hanley Swan Road. Very few vehicles adhere to the speed limit. Also speeding through Winsmore to the new estate.	6/14/2021 5:17 PM
89	Upton Road - needs to be properly managed with speeding cameras, speed bumps, one way traffic control, gated villages - it is getting more and more of a problem since the Winsmore building and the building that's taking place over at the farm	6/11/2021 1:33 PM
90	All the roads. The B4424 Upton Road is like a race track. The Old Malvern Road is very bad due to no footway.	6/8/2021 4:56 PM

Powick Parish Neighbourhood Plan 2021

108	Hospital Lane/A449 Traffic Lights - drivers running through red lights and 'flooring it' towards Malvern (even though the limit is 40 m.ph). Drivers overtaking at high speed down the dual track towards Malvern (needs reducing to one lane to stop this as it is dangerous). The Upton Road past the Red Lion - again drivers are 'flooring it' even though the speed limit is 30 mph. Drivers tailgating you as you try to keep to the speed limits of 40 mph and 30 mph travelling down past the school towards Worcester	5/30/2021 6:43 PM
109	Main road, very few obey the 30 and 40 limits. Speeding through the village because its a main road	5/30/2021 3:32 PM

137	Upton Road - general problem is Worcestershire - having no community 'speed awareness signs' (yellow used in identified speed enforcement villages) means drivers speed with impunity - Parish Council don't seem to do anything (nor does the District/County Councillor.	5/17/2021 9:12 PM

#	RESPONSES	DATE
1	Go back to the old timetable pre April 2020.	7/4/2021 8:07 PM
2	More frequency.	7/4/2021 7:58 PM
3	More buses at night.	7/4/2021 7:46 PM
4	It could always improve	7/4/2021 6:43 PM
5	.	7/4/2021 6:29 PM
6	not right times for shopping in Malvern / Worcester	7/4/2021 6:22 PM
7	10am bus needed again	7/4/2021 6:13 PM
8	Once the restrictions are over it would be good to have another bus going through the village each way.	7/4/2021 4:55 PM
9	Too far to reach bus stops for those living above Lower Ferry Lane.	7/4/2021 3:56 PM
10	Sunday service and Sat evening service very poor, also it is expensive. It is cheaper to get a taxi for 3 to Worcester than the bus. Why are London buses so cheap?	7/4/2021 9:43 AM
11	More services between Callow End and Upton, Malvern and Worcester	7/3/2021 4:31 PM
12	Not enough buses at peak times; if there were I'd use them	7/3/2021 4:18 PM
13	More buses needed all through the day and evening	7/3/2021 3:33 PM
14	More buses needed all through the day and evening	7/3/2021 3:33 PM
15	more buses, more frequent services; up to date information on website	7/3/2021 3:11 PM
16	The company does it's best but is hamstrung by County Councils wrong priorities. More frequent buses, More reliant time keeping- requires much improved traffic management (bus lanes etc..)	7/3/2021 2:57 PM
17	Frequency is good but display panel stating when next bus is due would be helpful.	7/3/2021 12:20 PM
18	Re-instatement of 20min services on Saturdays on A44 route and reinstate of late services on same route. Last bus from Worcester 18.45!! Ridiculous.	7/3/2021 11:29 AM
19	In addition to basic service Worcs to Upton, and or Tewkesbury divert some Worcs / Malvern buses to come into Callow End to give some services to and from Worcs/vand Malvern (no need to change buses)	7/3/2021 7:43 AM
20	no comment	7/2/2021 6:09 PM

24	Saturday/Sunday services should be reinstated for the 363	7/2/2021 6:03 AM
25	Buses should display their route not just destination Malvern for those of us who do not have previous knowledge. And no double deckers, SO unsuitable.	7/1/2021 3:29 PM
26	Great and regular but there was nothing after 20.00 coming back from T20 cricket. No buses during Upton Blues even though on a Saturday. Taxi cost 335 one way!	7/1/2021 3:05 PM
27	Run on time reliably	6/29/2021 12:13 PM

Powick Parish Neighbourhood Plan 2021

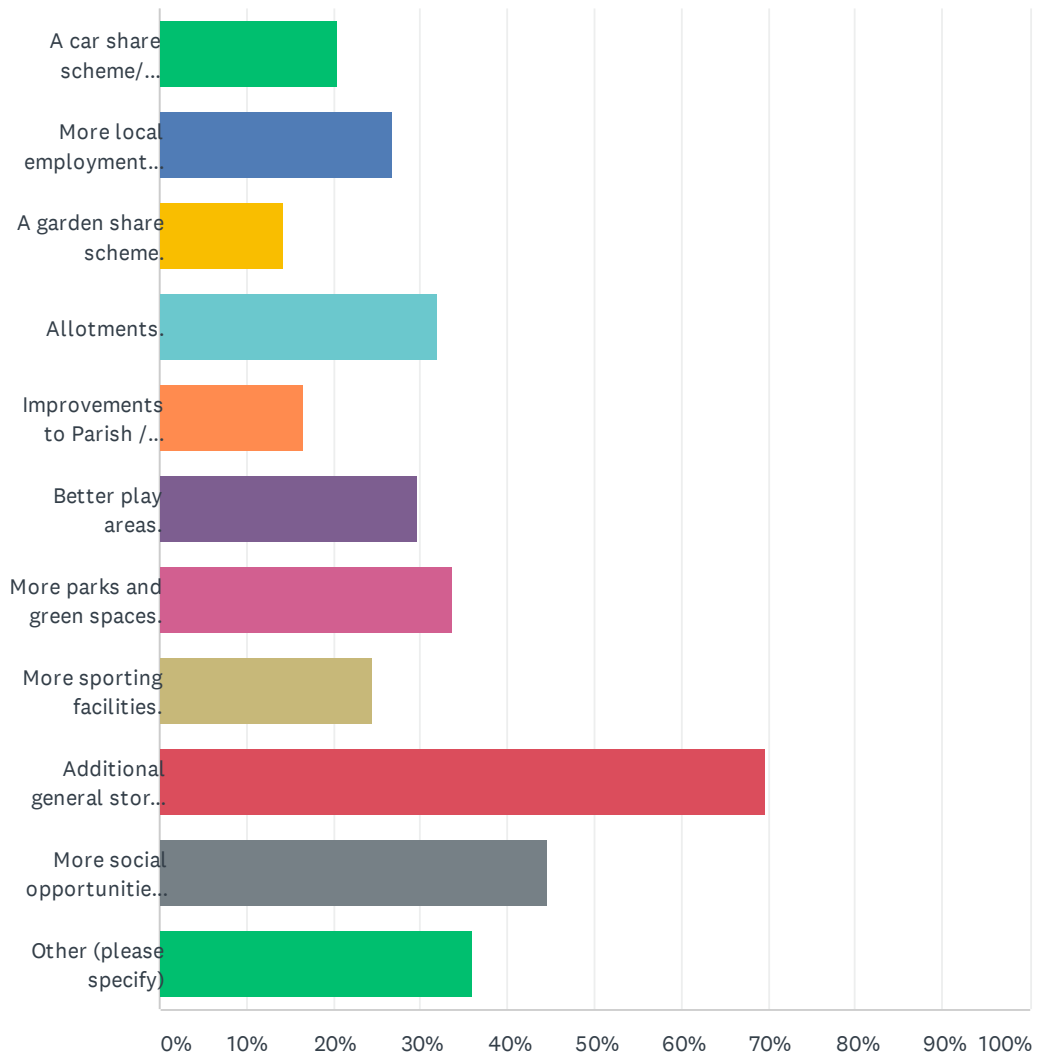

28	Run on time and not cancelled due to events such as Worcester Christmas fair when workarounds could be undertaken or prioritised for Sixway rugby matches. A direct service to the hospital! A later evening bus. No buses push people to use their cars, or even buy a car to ensure they are not isolated.	6/21/2021 10:26 AM
29	ask the people that use the bus	6/20/2021 3:05 PM
30	Would use a bus service if it came down Jennett Tree Lane and was at regular intervals	6/18/2021 3:03 PM
31	More frequency (assuming non-Covid problems).	6/18/2021 12:36 PM
32	NA	6/18/2021 8:46 AM
33	None	6/18/2021 7:01 AM
34	More buses throughout the day and at weekends	6/17/2021 8:51 PM
35	the timings are different on the website, electronic timetable at the bus stop and the paper version on the bus stop itself, it can be very frustrating finding what time to actually go up there to catch it as it never seems to follow the same timetable, even before covid	6/17/2021 5:02 PM
36	Evening and late evening service to / from Worcester and Upton	6/16/2021 9:33 PM
37	More regular (and reliable!) and at least occasional evening service. For our needs it should go down Upton Road and not divert	6/16/2021 2:14 PM
38	Can only speak pre-covid. Over the last 10 years I used the service a lot. The buses often miss out a service, so instead of every 10 or 15 mins you might have to wait 20 to 30 mins. When you are travelling to catch a train you always have to aim for a bus earlier just in case. Then two buses turned up together frequently. Personally I would prefer a reliable service albeit reduced no of buses as long as they came when the timetable said.	6/16/2021 12:06 PM
39	To run after 8 pm from Worcester! Also very expensive. Black country houses cost £2 any journey its £4 into Malvern	6/15/2021 8:51 PM
40	More regular and reliable. Later return times e.g from Worcester to allow return from pub/cinema/social activity.	6/15/2021 8:36 PM
41	Timetable on bus stop needs to match website. Earlier buses on weekdays.	6/15/2021 8:16 PM
42	The service needs to be more frequent. Yes. We know it needs funding but we believe that local taxes should support the service. School buses are vital and commuters should use them too. There should be more incentives and maybe a "smart" booking system.	6/8/2021 4:56 PM
43	Yes answer applies to the pre covid timetable	6/8/2021 2:24 PM
44	More frequent buses	6/7/2021 4:39 PM
45	Evening services from Malvern to Worcester (and vice versa) need to be reinstated and a minimum of every 30 minutes.	6/1/2021 1:58 PM

49	More reliable timetable	5/30/2021 11:30 PM
50	Put on buses at times to allow commuting from Callow End. Weekend services. Evening services.	5/30/2021 10:09 AM
51	More of them	5/30/2021 6:53 AM
52	N/A	5/28/2021 10:53 PM
53	More regular bus service into Worcester and return later in evening	5/28/2021 10:22 PM
54	More frequent and run on time	5/28/2021 5:59 PM

Powick Parish Neighbourhood Plan 2021

57	A direct bus service to Malvern, ie not via Upton and all the other villages.	5/27/2021 10:05 PM
58	its a very long slow route into worcester city, some non stop or limited stop times?	5/27/2021 6:52 PM
59	Over the last 3 years the No. 44 weekday bus service has declined from one every 10 minutes, to one every 15 minutes and now one every 20 minutes. Frequently buses don't turn up and/or are invariably late. Last buses from the Crowbgate bus station now leave at 18:45 and all later buses which previously departed at 19:50, 20:50, 21:50 and 23:10 have been withdrawn. This effectively means that it is impossible to get home after spending the evening in Worcester. Once Covis is done services must be restored as otherwise public transport which is a life line to some will cease to exist.	5/27/2021 12:25 PM

63	Better internet real time tracking of buses	5/18/2021 6:42 PM
64	Very expensive to get from Powick to retail park £6.50 return. Why so expensive? Also the 363 service only stops at school at beginning and end of school day and 6th formers at Hanley Castle have different hrs which is tricky if they're not able to drive themselves	5/18/2021 5:21 PM
65	Needs more frequent service at peak times at reduced prices; a national Oyster card would allow easy bus train or tram usage anywhere in country.	5/18/2021 10:52 AM
66	More services to Upton. Fares are to expensive and need reducing	5/18/2021 9:11 AM
67	People don't want to use buses - pre-covid outside the school services buses had minimal usage. Need to introduce car share scheme or something similar	5/17/2021 9:12 PM
68	Old non compliant vehicles . Only 4 Euro 6 buses in fleet. Current deckers are noisy and same models in London attracted complaints. They were displaced from Leicester and newer vehicles moved from Worcester. This process of dumping old vehicles adds to pollution on the A449	5/16/2021 3:26 PM

Q51 The law gives Parish Councils the power to designate ‘assets of community value’ in their neighbourhood development plans. An asset can be a building or landscape feature which furthers the interest of the local community. Designation gives some protection in case the owner decides to sell the land or property for another use. Which buildings or areas of land do you think should be designated? 4	Re. eco housing =NOT NEW HOUSING, I moved to Powick 10 yrs ago as it was a nice village with decent people, good, fairly spacious homes with plenty of countryside/natural areas mixed in with housing. This has changed. Now there are many tiny houses (with parking/ roadside use overcrowding), shrinking natural space and residential social issues. PLEASE... When will this stop?	7/4/2021 9:43 AM
5	Could the parcel of ground behind the small car parking spaces opposite CE school be bought and developed as a parish car park?Schol, church and club need parking.All venues could be used more in the day or evening if there was parking.At term time the school uses the limited parking we have so in the road is the only option for anyone else. My 5 yr old does it and I know other families don't due to the B4424 out of CE. Also Jennett Tree Lane into the retail park should be a priority.Ref cycling - This is a must and should be top of the list for Cllrs	7/2/2021 12:33 PM

Powick Parish Neighbourhood Plan 2021

22	Enforced Solar PV and Solar Water on any/all new builds and not 2 crappy solar panels either! Decent cycle/walking paths between Powick and Malvern - Worcester. Average speed check cameras pon the Malvern Rd A449 Worcester to Malvern - Callow End - Upton. Protection of Hedgerows and Boundary Trees. More bird and bat boxes, more wild life public pond areas especially if you are building new estates (those already planned/built). No more Housing Estates! The green spaces/areas they provide are as tiny as out garden! Plant more trees!	7/1/2021 3:05 PM
23	But not walking - There is an excess of public footpaths. Widely publish the results of the survey and initiatives taken as a result	6/29/2021 12:13 PM
24	If 4 Seasons doesn't reopen using the site as a shop would be great for the community	6/29/2021 11:36 AM
25	The needs of Hospital Lane Development (Byrons Wood) is an absolute necessity. It needs to be planned to develop as a mini village. The Link Nursery is ineffective. The open spaces need to be linked in some way. what about a Park Run facility? Links with Elgar are totally ignored. Powick is riven by the A449. This survey does not provide an assessment of what potential community assets may be available for residents to be "proud" of rrs	6/28/2021 5:43 PM
26	Parish Council do a great job	6/28/2021 4:06 PM
27	I am looking forward to getting more involved in the local community as lockdown eases	6/28/2021 3:37 PM
28	None treat us like adults to make our own decisions	6/18/2021 7:01 AM
29	Infrastructure for electric vehicles e.g. charging points, hire schemes, car share. Community repair, share, swap, recycling schemes. Community green initiatives e.g. reusable bottle scheme, facilities/pubs adopting a parish-wide no single use plastic policy, bulk purchasing.	6/15/2021 8:36 PM
30	Footpath along full length of Old Malvern Rd	6/15/2021 7:15 PM
31	Reduction in car journeys to school	6/8/2021 4:56 PM
32	more cycling path away from roads	5/27/2021 10:05 PM
33	more affordable solar power for households. Encourage / incentivise more people to cycle to work	5/22/2021 1:20 PM
34	Electric vehicle rapid charging points	5/18/2021 9:00 PM
35	Extensive community tree planting and tree ownership	5/18/2021 6:42 PM
36	Four Seasons conversion back to a shop is long overdue. Looking to the future Powick Village needs a bypass to allow the historic core of the village to regenerate and restore a great sense of community.	5/18/2021 10:52 AM
37	NO ideas	5/16/2021 3:26 PM
